

From this...to this

African Promise and Kids4Kenya are international development organisations working to advance education in pre-primary and primary schools in Kenya.

The initiative of recent graduate Charles Coldman, the charity has grown from a one-off project which saw the transformation of Jora Primary School in 2006/07.

African Promise and Kids4Kenya currently work with five schools in the rural community of Kasigau.

Registered UK Charity No: 1122285

Help us to make this transformation hap-

\$20.00

The cost of one T Shirt buys the materials and labour to make 80 bricks used in the construction of a library

\$35.00

Buy several handfuls of reading books to help stock a library

\$50.00

Buy 4 benches to help furnish a library or classroom
